

# Honor a Caregiver

Frontline caregivers play a critical and indispensable role in creating a quality long-term care community in Wisconsin. The WI Long-Term Care Workforce Alliance's annual Caregiver Awards are the only statewide recognition of these outstanding individuals and teams working tirelessly in all service locations.

Do you know a caregiver or team that deserves to be honored for the great work they do? This is your chance! You can nominate caregivers in the following categories:

- Spotlight Individual Caregiver Awards
- Caring Together Team Award
- Heart of Family/Friend Caregiving Award

Each award winner will receive a certificate, a monetary prize, and an invitation to be our guest at the WPSA Conference in October.

## How to nominate:

First, complete the nomination form in this brochure. Next, share why you believe the person or team deserves the award—in a short essay of 200 words or less. Then, email, mail, or fax the form and essay to the contacts listed. Nominations are due September 1, 2022.

Announcement of award winners: After first notifying the award winners and their nominating organizations/individuals, we will announce the 2022 Caregiver Awards recipients on our Website in October. Then, each winner will be honored at the WPSA Conference in October.
